

New! Introduction to Spanish

Thursday | 5:00 PM - 5:50 PM | Via Zoom and/or in-person

Instructor: Erin Vlasak

In this introductory class, we will focus on the fundamental basics of the Spanish language. This includes greetings, basic vocabulary for everyday objects and situations, simple sentence structure, counting, colors, and essential phrases for basic conversations, which can include ways to introduce yourself, family members, and describing details about oneself and others.

This class will go at a comfortable pace with different modalities to reinforce knowledge by showing videos, learning through music, and reading text together. Learning a new language and building confidence in speaking Spanish will be exciting and beneficial! Instructor Erin Vlasak is looking forward to continuing to use her educational background in Spanish to help students build their confidence when it comes to speaking Spanish.

This interactive class will be offered via Zoom and in person at our studio in Smithtown.
